

Dear Valued Customer

WPS has changed banks. If you are currently paying via ACH, we will need you to follow the process below. This includes daily, weekly, and monthly auto payments. If you have any questions, please reach out to us.

Thank you.

You will need to log into wpsorders.com, go to the Account page under Dealer, and select ADD under ACH accounts. You will be sent to our credit card merchant (Stripe) where it will have you link your banking information.
